

Forest Resources Division Training Strategy

Jennifer Ward

Training Project/Team Lead and Policy Coordinator

Goals & Objectives

Internal

- 2- Year training plan
 - Provide options to complete core training
 - Online training library
 - Online training sessions
 - In person and virtual trainings
- Provide continuing education
- Ensure compliance with FPA & HCP

External

- Provide training and educational material for landowners
- Provide landowners and operators with technical forestry assistance
- Provide additional assistance for Small Forestland Owners
- Create online educational video library
- Ensure compliance with the FPA and HCP

Training Team

Internal Training

FPA - 22 rule divisions

Oregon Revised Statutes

Other division training such as incentives programs, insect and disease and communication training

External Training

Working with partner agencies and organizations to provide training to their members and customers

Participating with Partnership for Forestry Education to identify forestry educational needs and deliver training through workshops and outreach events

Developing an online video library with readily accessible information on FPA and FRD programs

Training tracking

- ✓ Inform legislative and HCP reporting
- ✓ Track foresters' development and progress meeting training requirements
- ✓ Shows evidence that the forester has appropriate training to administer the FPA

Current Field Forester Experience

Combined Stewardship/SFO Foresters Experience

Other training challenges....

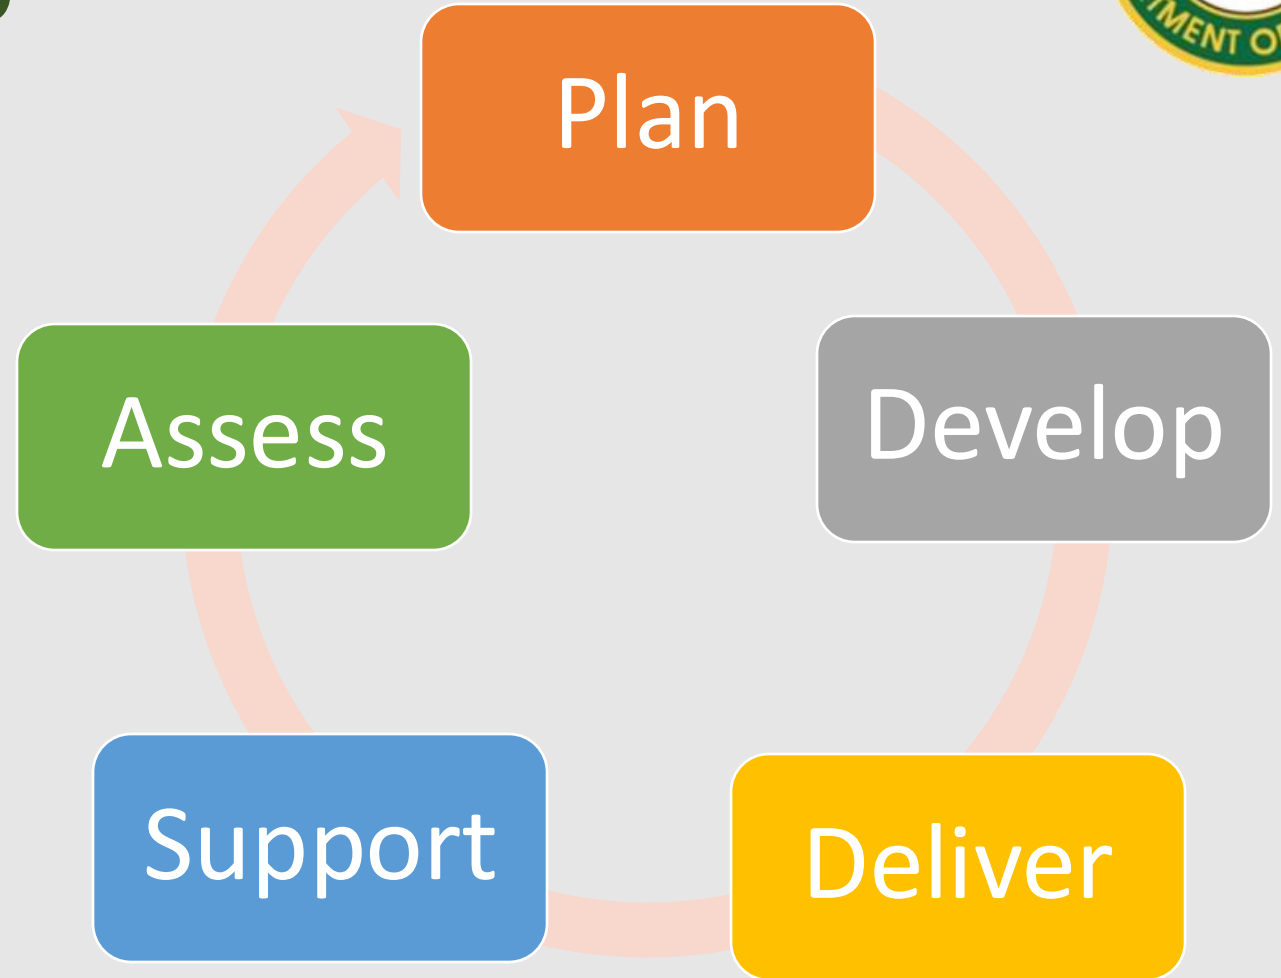

- Training Season:
- January – June
- November - December

Training Planning

- Enforcement Actions
- Compliance Monitoring
- Reviewing NOAPS
- Conversations
- Remain fluid and adaptable to deliver relevant and timely training opportunities
