

Keeping prepared foods longer than
7 days can **make your customers sick!**

1	2	3	4	5	6	7			
							8	9	10
Days at 41°F (5°C)									

Food must be discarded within seven days, which means the day the food is prepared or opened plus six days.

Example: Food prepared April 1st must be discarded on April 7th.

Alternative formats and languages are available [here](#) from the FDA website.
